

The Ministry of Information & Culture (MoIC) should be informed that the amount donated in 1383 and 1384 financial amount which have been transferred to government account No. (600100) are required to be spent during the same fiscal years as every fiscal year maintains its own budget. If the amounts were not spent by the respected Ministry of Information & Culture (MoIC) due to particular reasons, then it should accept the legal responsibilities of Ministry of Finance (MoF) to not return the funds. Per guidance of budgetary regulations, the transaction is not to be executed in the next fiscal year budget. We hope that the Ministry of Information & Culture accepts our explanation.
